Are you seeking for the best medical institute in Armenia with all modern teaching techniques? Then, here is your chance to know and explore the Armenian Medical Institute to meet all your queries. It offers a great range of curricular and extra-curricular opportunities. The library of the institute is the world's 3rd largest library which is a storehouse of a variety of books on medical science, international thesis and research and of course valuable medical journals. This will be immensely helpful for your education as well as knowledge. You can learn all that you want in medicine from an experienced team of faculty members. The university students are facilitated with clinical practice right at the onset of their 2nd year in the institute. The institute offers ample and equal opportunities to everyone.

The medical institute proudly owns and runs 23 clinical centers which have multi-speciality facilities. The existing students are provided with proper coaching or preparation for MCI and USMLE the moment they begin with their 3rd semester. The institute does not have humongous tuition fees. It does not ask for TOEFL or IELTS to get admission though English is the medium of instruction. Added perks are: scholarships for meritorious students, educational loans are accepted, low living cost, great climatic conditions, no donations and no entrance exam.
