

WENZHOU MEDICAL COLLEGE

The university was established in 1912. It is thus one of the oldest medical institutions of China. The university is ranked at 18 among medical schools in China. It is one of the major universities in China and has many international students who are studying medicine. Some of the facilities provided by the university are:

- ❑ Modern library that has a collection of 2,250,000 volumes.
- ❑ Clinical practice in some of the best hospitals in China.
- ❑ The students are provided with regular coaching for different medical exams.
- ❑ Hostel facilities are also provided by the university.

One of the reasons behind the success of the university is the number of benefits provided by the university. Many Indians take admission to the university every year. The major benefits that attract Indian students and other international students are:

- ❑ MBBS can be done at very low cost.
- ❑ The university campus is quite safe for international students.
- ❑ The university gives world-class facilities to the students
- ❑ The degrees of the university are approved by MCI and Who. Thus they can be used in the different countries of the world
