

JIANGSU UNIVERSITY

The university was established in the year 1902. It is currently ranked as 69th among national universities and 724 among universities worldwide. The university currently has more than 150 Indian students who are studying MBBS. The university provides the following facilities to the students:

- The university has a library that contains most of the essential journals and eBooks.
- Students are provided with regular preparation for MCI test.
- From third semester students can do on campus hospital visits.
- Hostel facilities are available for the students.
- Eight canteens are present that offer a variety of food.

Apart from these facilities the university also gives a number of benefits to the students. These benefits also attract several Indian and international students to the university. These benefits are:

- MBBS can be done at a comparatively lower cost in these universities.
- Provision for the students to do their internship in India, if they want to save money.
- The medium used in the university is English.
- Students can sharpen their skills at the affiliated hospitals.
- The university has very good quality faculty.
- It is recognized by WHO and MCI. So the students can practice in different parts of the world.
